LAWYER FEE

Suyud Margono & Associates Law Firm, We realize that clients are seeking the best value for their money, and we compete not only on the basis of quality of service, which is our primary concern, but also on the basis of reasonable fees for the general structure of our billing policy to make available for our client, is as follows :

Hourly basis

In Hourly Basis model, calculated by the actual amount of time spent on a particular matter by the attorneys and counselors concerned will form the principal basis for determining the total legal fees to be paid.
Our current hourly rate is US \$. 150.00 (One hundred fifty) per hour.

Lump Sum Basis

In Lump Sum Basis model, we also prepare to offer you a lump sum basis. This legal fee will be calculated based on the *assignment* and *scope of work* of the legal services based on agreement.

Retainer Fee Basis

Our retainer fee basis is calculated based on total amount of legal services to you maximum in an aggregate amounts of US \$ 750.00 (seven hundred fifty) per month. Our retainer basis does not include other services than paper works and consultation. For litigation and arbitration cases we will have another calculation which will be provided to you upon request.

It should be noted that the above fee does not include charge for disbursement cost is a tuition that must be paid by client related to support in handling case, *out-of-pocket* expenses which will be separately charged to the client

Note :

1. All fees in are estimates only. Actual fee vary depending on the complexity of the particular task and may change from time to time
2. Any updates to these fees will be published on our website : www.suyud.com.
